

5th Annual Leadercast Northland

MISSION + VISION

Vision - To Build Leaders Worth Following

Why? Great leadership starts **within**. To successfully lead others, we need to lead ourselves **effectively**. Learning with and from other successful leaders help us:

- know our purpose
- communicate clearly
- be confident
- demonstrate passion

These building blocks help us grow into **the leader you are designed to be**.

What? Leadercast Northland will provide a fast-paced blend of:

- **insights from world-class leaders**
- a day of **networking and relationship development**
- **NEW for 2018: LIVE attendee-interactive discussions** facilitated by several of the our area's best leaders

Who? Join hundreds of other men and women from around the Twin Cities.

Whether you're a current or emerging leader:

- of a large company or organization
- in your department or division
- at your church or non-profit
- within your family or self

It all starts with **you**. **Lead Yourself!**
